CONFIDENCE IMMUNIZATION

What is Confidence Immunization?

Confidence Immunization is a new, innovative approach to immunization that focuses on building trust and confidence between healthcare providers and patients. It is a key component of the Maryland Partnership for Prevention's (MPP) efforts to increase immunization rates among underserved populations.

How does Confidence Immunization work?

Confidence Immunization works by providing healthcare providers with the tools and resources they need to build trust and confidence with their patients. This includes providing information about the benefits of immunization, addressing common concerns, and providing a safe and comfortable environment for immunization.

Who is eligible for Confidence Immunization?

Confidence Immunization is available to all individuals who are eligible for immunization under the state immunization schedule. This includes children, adolescents, and adults.

Where can I get Confidence Immunization?

Confidence Immunization is available at many locations throughout the state, including community health centers, public health departments, and private healthcare providers.

For more information, call 410-763-4677.

"Middletown" is a deeply moving and funny new play by Will Enno exploring the universe of a small American town. As a friendship develops between longtime resident John Dodge and new arrival Mary Swanson, the lives of the inhabitants of Middletown intersect in strange and poignant ways in a journey that takes them from the local library to outer space and points between.

"Delicate, moving...gorgeous, piercing, tart, funny. Mr. Enno's gift may be unmatched among writers of his generation, glimmers from start to finish." - **New York Times**

OPENS MAY 15th - JUNE 7th 2015

When the world sees
natural beauty as unpleasant,
and unique thought, defective
the resolve brings about genius.

Therein lies character.

We younger Negro artists who create now intend to express our individual dark-skinned selves without fear or shame...We know we are beautiful. And ugly too. We build our temples for tomorrow, strong as we know how, and we stand on top of the mountain, free within ourselves.
-Langston Hughes

The price one pays for pursuing any profession,
or calling, is an intimate knowledge of its ugly side.
-James Baldwin

it cuts like a knife who's out of my life
out of my mind, out of my heart
out of my mind, there's no love in there"
